

Municipality of the County of Colchester

Disposal of Hazardous Substances Policy

1. Application of Policy:

This policy supplements the Disposal of Hazardous Substances By-law.

2. Purpose:

Municipal Council recognizes that appropriate sites should be used for the disposal of Hazardous Substances, due to the potential for harm to human health and the environment during the transportation and disposal of such substances.

Municipal Council also recognizes the importance of protecting its residents from potentially expensive clean-up and closing down costs for such sites.

3. Definitions:

Hazardous Substances means any hazardous, toxic, dangerous, or waste dangerous substance or material, and includes any substance or material declared or defined to be a hazardous, toxic, dangerous or waste dangerous substance in or pursuant to any applicable law or policy.

Permit means a permit for a particular physical site to accept hazardous and dangerous substances pursuant to the Disposal of Hazardous Substance By-law and shall be referred to herein as a Permit;

Permitted Site means a physical site for which a Permit has been issued.

4. Permitted Sites:

For the purpose of section 3 of the Disposal of Hazardous Substances By-law, the following are designated as Permitted Sites:

PID # 20286902, Kemptown, Colchester County, Nova Scotia.
