

## Municipal Fees Policy

### PURPOSE

The purpose of this policy is to provide one clear and concise policy for the various fees charged by the Municipality of Colchester for municipal services and processes including applications, approvals, permits, and licenses.

### SCOPE

The Policy applies to the processes and services listed below and may be amended from time to time. The fees outlined in this Policy shall amend those previously in effect and found in Policies or Resolutions of the Municipality that predate this policy.

### POLICY

The fees to be paid to the Municipality of the County of Colchester for each of the following applications, permits, licenses or services are set out in, or amended to, the respective amounts shown in the following table:
