

MUNICIPALITY OF THE COUNTY OF COLCHESTER

Summer Student Position

Public Works

Wastewater Treatment Plant Maintenance Worker

The Municipality of the County of Colchester is accepting applications for a summer student to work at the main Wastewater Treatment Facility, starting May to Aug. Duties of the position include assisting maintenance staff with serving and cleaning equipment, minor building maintenance, painting exterior and interior areas, and ground maintenance (mowing, whipper snipping, trimming, and pruning bushes, shrubs, etc).

This position requires an ambitious and motivated individual, with the ability to work as a team and work independently. Specific job tasks may require physical strength to perform moderate labour and working environments may be dirty and/or loud. Experience working with basic mechanic tools, carpentry hand tool, and ground maintenance equipment considered an asset.

Applicants must be a full-time student and intending to return to school on a full-time basis the next academic year.

We welcome applications from all qualified applicants. Only those selected for an interview will be contacted. Applicants are invited to submit a resume and covering letter by April 30, 2021 to kgrattomccarthy@colchester.ca or mail to:

Municipality of the County of Colchester
