

Geographical Information systems (GIS) Analyst

Full-time Position

Centrally located within Nova Scotia between two extraordinary coastlines, Colchester is a progressive rural municipality that offers an unparalleled work-life balance. It is a place that is affordable, welcoming, family focused, rich in diverse culture and natural beauty with thriving businesses and access to all the modern amenities typically found in an urban setting – without the common stresses of living in an urban setting.

The Municipality of Colchester is seeking a Geographical Information Systems (GIS) Analyst to join our team. Reporting to the Director of Community Development the GIS Analyst is responsible for Property Information and GIS services of Community Development.

The GIS Analyst must have a balance technical skill and administrative knowledge to ensure Colchester's GIS technology is used to its full potential. The GIS Analyst must have the ability to articulate a strategic vision for the development of a robust GIS that supports the various municipal users as well as public inquiries. The Analyst is results oriented, and able to set goals based on an approved Strategic Direction, that supports client users and system development.

The Analyst will be knowledgeable of current industry techniques and technology and have demonstrated experience with the development of quality maps, web services, using program languages such as Python, process automation with Model Builder, and Geodatabase design using Esri products.

Applicants must be able to demonstrate excellent map making skills along with good communication and interpersonal skills as Colchester is a collaborative work environment.

Applicants must have a minimum of 3 years' experience using ESRI ArcGIS in a design and development environment. Education should consist of a university degree in Geography or related field and a Diploma in Geographic Information Systems.

We welcome applications from all qualified applicants; however only those selected for an interview will be contacted. Applicants are invited to submit a covering letter and resume by 4:30 p.m. Friday, April 9, 2021 to the Municipality of Colchester, 1 Church Street, Truro, NS B2N 3Z5 or email kgrattomccarthy@colchester.ca.
