

PETTIGREW RECREATION LEADERSHIP AWARD

The Pettigrew Recreation Leadership Award is an annual Award of Merit that recognizes an outstanding individual who has contributed significantly as a volunteer in the fields of culture, recreation and/or fitness over a period of years in Colchester County acting in a leadership capacity. The achievements of the individual shall have made a significant and distinct contribution to the furtherance of some aspect of culture, recreation and/or fitness.

Nominations are invited for individuals who have adopted a leadership role within the community to promote an active concern for recreation, and who consistently and actively promoted the concepts of recreation in Colchester County over a number of years. The successful candidate will be chosen by a selection jury.

Candidates can be nominated by anyone. Nominations will include a detailed resume of the candidate's work and the significance of that work towards promoting concepts of culture, recreation and/or fitness. Names and addresses of two references must be included. All nominees receive a Certificate of Recognition and will automatically be considered for the County Provincial Volunteer Representative Award.

Criteria For Selection: Importance of the individual to the community

- Range of influence
- Number and variety of achievements
- Impact of achievements on community
- Years of service
- Type of involvement
- Public's perception and acceptance of the person
