Hi everyone! My name is Hannah, I am 22 years old, and I recently completed a Bachelor of Arts at Dalhousie University. This fall, I will be starting my first year in the Bachelor of Education program at St.FX University. This is my fifth year with Fun in the Sun, but my second summer as camp coordinator. At camp, I love doing outdoor activities, crafts, and water day! I am so excited for another fun and memorable summer!

Hi! My name is Lienna, and I am 20 years old. I am headed into my fourth year at Acadia University, studying Kinesiology and Athletic Therapy. This is my third year at Fun in the Sun, but this will be my first summer as Camp Coordinator. I love playing sports, but my favourite would have to be soccer! I also enjoy doing arts and crafts, and being outdoors. I am super excited to meet everyone and have another fun summer!
