

# REQUEST FOR PROPOSALS

The Municipality of Colchester is requesting proposals from qualified environmental consulting firms to provide services related to the capping of three landfill cells at the Municipality owned Balefill Facility in Kemptown, Nova Scotia. The project will include the design, assisting in the application for approval to the Nova Scotia Environment and Climate Change (NSECC), writing construction tender, analyzing submissions, provide construction contractor recommendation and onsite construction supervision services.

The scope of the work will involve and require:

- Management of the project
- Site Design
- Tender preparation and oversight
- Onsite Construction Administration and Supervision
- Proposed schedule
- Team members
- Applicable Reference Undertakings
- Fees for proposed work
- Site Visit

Request for proposal (RFP) documents can be requested by phone at 902-897-0450 extension 105 or by email to Shawna Harvey [SHarvey@colchester.ca](mailto:SHarvey@colchester.ca) . RFP's will only be accepted from consultants who have obtained a set of RFP documents from the Municipality of Colchester.
